Sister Cities of Newport News announces

The Peninsula's 4th Annual

GlobalBee

INTERNATIONAL QUIZ

GENERAL RULES OF PLAY

The GlobalBee has a silent quiz format — teams answer on paper, not verbally. The Global Bee has five rounds of questions broken into two sessions — each round has 10-20 questions. Some questions will be multiple choice, others fill in the blank. There will be less multiple choice questions as the competition progresses. For each round, the team will be given an envelope and have 5 minutes to answer the questions given. All teams will get the same questions. Each team must elect a scribe to write down their answers and sign the answer sheet. At the end of Session I we will grade and list the teams in place order; we will not reveal the number right or wrong, just the teams' placement. There is no elimination process. All teams will compete until the end. An alternate can be substituted after any round of questions. After Session II, the winner (team with the most correct answers) will be announced and awarded the trophy. If a tie exists, it will be settled by a "best of" set of questions until a winner is determined.

CATEGORIES

World Geography • Social Science • Focus on Current World Events • Newport News Sister Cities • World History • International Sports • People and Places • Customs • World Religions

SAMPLE QUESTIONS

- 1) Which country is closer to the Equator? Tanzania or Zambia
- 2) Native people known as Saami and Chukchi mostly live in regions bordering which ocean?
- 3) To visit the Hermitage Museum, and to ride the Trans-Siberian Railway, you would travel to which country?
- 4) This island, the largest of the Ryukyu Islands, was under US control from late in World War II until 1972.
- 5) Name the 800-mile trail that was established in 1821 to encourage trade between Missouri and what is now New Mexico.

Deadline for Registrations: Friday, October 29, 2010
